

MEDICO LEGAL

M A G A Z I N E

The screenshot shows the SpecialistInfo website interface. At the top, there is a navigation menu with links for 'Directories', 'About', 'Medico-Legal', 'Training Courses', and 'News & Views'. There are also 'Register' and 'Login' buttons. Below the navigation, a banner reads 'The Definitive Online Directory of Consultants and GPs' with a sub-headline 'Providing the healthcare industry with access to a complete online medical directory of over 100,000 Consultants, GPs, Hospitals & Surgeries since 1998'. A 'Get Started - Free' button is visible. Below the banner, there are five category tiles: 'Doctors', 'Medical Secretaries and GP Practice Staff', 'Healthcare Industry', 'Legal Industry', and 'General Public'. A circular graphic on the left contains the text 'OUR SPECIALTY WHERE INFORMATION IS'. A small green badge indicates 'Directory last updated 21 August 2023'.

ABOUT US

Medico-Legal Magazine is produced by SpecialistInfo and published by Iconic Media Solutions. SpecialistInfo is the UK's go to source for medico-legal information, with over 98,000 Consultants and GPs registered since its establishment in 1998. The Magazine offers the medico-legal industry a platform to connect, exchange products and services and keep abreast of the latest news and developments.

DISTRIBUTION & CONTENT

The magazine is published quarterly and actively circulated by email to 60,000 industry professionals such as major insurance companies, doctors, healthcare professionals, law firms and medico-legal agencies and experts. It is also hosted on the SpecialistInfo website (Specialistinfo.com).

Content within the publication focuses on new medical cases and looks at the medico-legal implications involved, often from a cross party perspective. Editorial and contributions are generated from the industry's most reputable experts and sources, with a focus on accuracy and educational content.

Mr Stewart James

BSc (Hons) MBBS FRCS

t: +44 (0)207 345 679
e: sjames@ortho.co.uk
w: ortho.co.uk

Mr James is a full-time Orthopaedic Trauma Surgeon at Guy's Hospital, London. He specialises in the management of complex pelvic, upper limb and lower limb fractures and amputations in his clinical and expert witness work. His medico legal practice includes those who have sustained high-energy injuries. With his training, he's able to provide comprehensive reports and review all aspects of a patient's treatment. His consultation rooms are in London and Essex.

Areas of interest:

- Orthopaedics and trauma
- Fractures and breaks
- Pelvis and hip
- Femoral neck and femoral head
- Acetabulum / acetabular
- Knee
- Open fractures
